

Could an **internship** with the
South Carolina Department of Insurance
be the missing piece in your puzzle?

There's a place here for you!

As an intern at the SCDOI, you will get hands-on exposure to the responsibilities required to regulate the insurance industry and protect insurance holders in South Carolina. No matter your interests, there's probably a place for you here! Over the years, the SCDOI collaborated with local organizations and higher education institutions to provide internship opportunities in Information Technology, Legal, Accounting, Public Relations, Financial Regulation and more.

Why Intern with Us?

- ♦ **Location** - The SCDOI is located on Columbia's Main Street, right across from the Statehouse.
- ♦ **Compensation** - You will make a minimum of \$12 an hour while building your resume!
- ♦ **Knowledge** - You'll get to learn from some of the best subject matter experts in the state.
- ♦ **Exposure** - You'll gain exposure to the vast array of career opportunities available in the insurance industry, many of which you may not have knew existed!

Does this sound like a good fit?

If so, you can visit

governmentjobs.com/careers/sc/scdoi

to explore available internship opportunities here at the SCDOI.
